Are you looking for helpful parenting resources?

If you are looking for an opportunity to meet other parents while your children participate in programs, visit the McMan Parent Link Centre.

Parent Link Centres are about connecting parents to each other and to resources in their community.

The McMan Parent Link Centre is a resource for parents and caregivers to help strengthen parenting skills and ensure positive child development. The McMan Parent Link Centre provides families with information and services to help children develop their full potential and enter school ready to learn.

Core Services include:

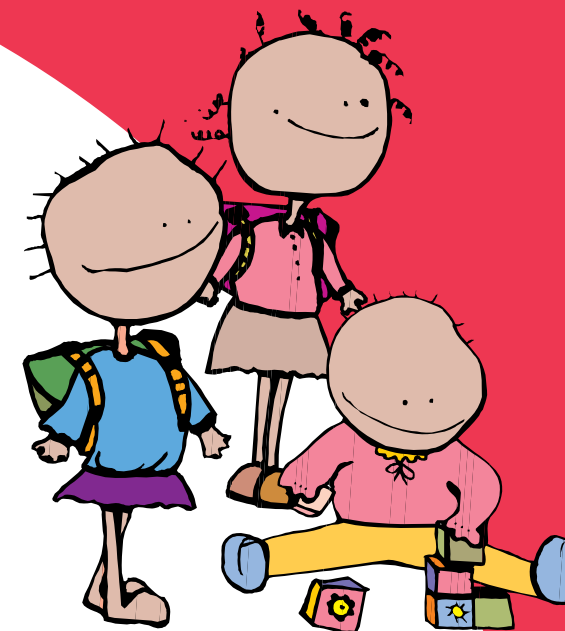

- Parent Education
- Early Childhood Development and Care
- Family Support
- Information and Referrals
- Ages and Stages Developmental Screening

The McMan Parent Link Centre is open to all families in Medicine Hat and surrounding area with outreach programs throughout Southeast Alberta. The main focus of service is targeted to families who have children ages 0-6. However, we have resources available for parents with children of all ages.

Programs and activities are child-focused and parent-driven. Activities are offered based on child development needs and programs that support parents. Programs offered include the following:

- **Playgroups for young children to learn and play**
- **Parenting classes**
- **Drop-In Play**
- **Toy Lending Library**
- **Parent Resource Library**
- **Special Groups**

For specific programs and times see our website

Family Principles of all Parent Link Centres:

- Children come first
- Parent Link Centres are open to ALL parents
- Parent Link Centres value diversity and promote inclusion
- Parenting is a lifelong experience
- Parent Link Centres recognize that communities play an important role in supporting parents.
